India**

6.5.2

Additional Information

6.5.2

The institution reviews its teaching learning process, structures and methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

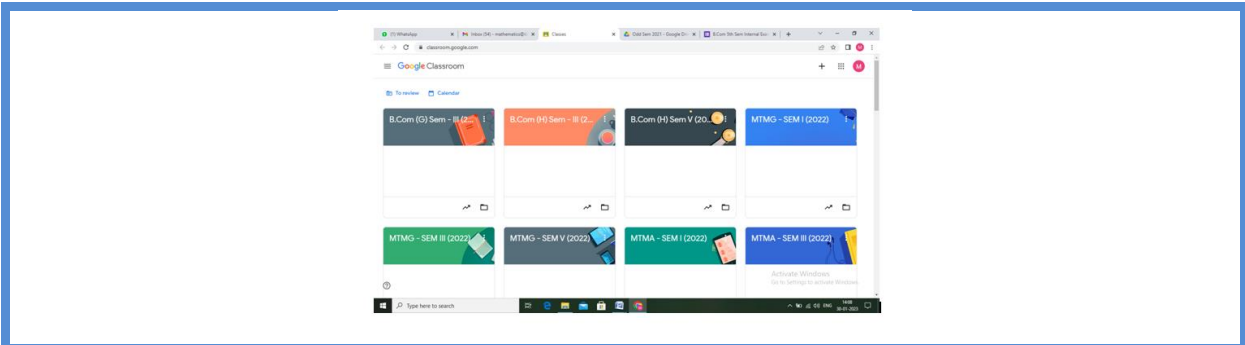

Academic and Administrative Audit (AAA) in the institute assess and monitor the various aspects of the institutes with a well-planned system of internal and external reviews.

- Academic and Administrative Audit Report – <https://www.kkdascollege.ac.in/audit-reports>
- Information and Communication Technology (ICT) in education uses information and communications technology to support, enhance, and optimize the delivery of information. Teachers in our institution are using ICT which is expected to result in an improved student learning and better teaching methods.

ICT in Teaching Learning

Classes Taken, Study Materials Distributed, Examination Conducted in Google Classroom

The figure displays four screenshots of Google Classroom interfaces. The top-left screenshot shows the 'English Honours Semester V' class with announcements for video meetings.
