**About the Programme -**

All are concerned about the increasing threat of COVID-19 and searching for a solution by which normal activities involving others can be performed while maintaining the norms of social distancing. Students are also facing the same situation.

Fortunately, alternatives are there to holding face-to-face classes, but it's important to prepare students ready for the technology driven techniques. Department of Computer Science, K.K.Das College organised e-Adhyayan for Students to build confidence of e-learning to the students using Google platform.

This e-Adhyayan for Students will provide each participant enough confidence to begin an e-classroom for the onboard students.

**Audience:**

This professional development activity/course is designed for:

College going students who want to know about Google platform for online learning and evaluation.

**Description :**

Students were made aware of the uses of Google tools available for e learning.

resource persons demonstrated how the students can use it to Attend online classes as well as attend exams or submit assignments through the Google Classroom/ Gmeet.
