India

5.4.1

There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.

There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services.

The alumni association of K. K. Das college is a registered non-profit organization (reg. number: J/2L/55727) that aims fundamentally to build a participatory support system to the current students of the college. Besides its small financial contributions, the members of this association try to meet on a regular basis amongst them as well as with the current students.

The college administration, who bridges the gap between these two segments, current and past students, with logistic supports, finds this interaction immensely useful for the present UG students as they can sense the world beyond this college from their seniors. The alumni association plays a massive role in inspiring, enriching and guiding the present students over a wide spectrum of issues: starting from informal career counseling for their future professional journey or suggestions regarding pursuit of higher academics to helping the students with day to day academic and non-academic problems.

The alumni have started to contribute to the college financially from the financial year 2019-20. Their contribution is small but it is significant for the betterment of the college. In last two financial years, i.e., 2019-20 and 2020-21, the quantum of their contribution is 1lakh to 3lakhs. We are pleased to inform that our ex-students have willingly come forward and contributing to the college according to their ability.

Though lately the pandemic struck situation hampered the functioning of the alumni association among all other activities of the college, it also paved a new path to operate through online platforms that opened up lately the opportunity to bring the world into one nest. We hope to enhance the functioning of the alumni association and the exchange between them and the present students in near future.

We also have a dedicated page for our Alumni in the College Website.
