Basics of Computer and Web Designing

Summary Report:

Department of Computer Science, K. K. Das College offers an Add-on course on “Basics of Computer and Web Designing” so that students not having Computer Science as a Subject can prepare themselves for the job market after completion of their graduation. The course will equip the students with skills required for designing, developing web applications in Information Technology. Students will be able to learn the latest trends in various subjects of computers & information technology. The course is aimed at undergraduates to enhance their computing background and provides a detailed coverage of the key concepts and challenges in data, resource protection and computer software security. After successful completion of this course, students will be able to perform documentation and presenting skills. They will be proficient in using Windows, Word Processing Applications, Spreadsheet Applications, Database Applications and Presentation Graphics Applications. The course is running successfully in three consecutive academic sessions 2020-21, 2021-22 and 2022-23.

The duration of the course is 30 hours. The course was first introduced in the year 2021 for regular students of the college. It commenced from 08.02.2021 to 24.12.2021 with total 52 students enrolled in the year. All the enrolled students successfully completed the course and were awarded the course completion certificate. In the next academic session the course started from 28.04.2022 and ended on 30.06.2023 with total 13 students enrolled in the year. However due to the busy academic schedule, the assessment procedure of the course could not be completed in the same year. In the academic session 2022-23 the course began from 20.12.2022 and ended on 27.05.2023 with 24 students enrolled in the year. 37 students (13 from academic session 2021-22 and 24 from the academic session 2022-23) successfully completed the course and were awarded the course completion certificate.

Duration of the Course: 30 Hours

Diploma in Financial Accounting with GST

Summary Report:

K.K.Das College offers the value added course on “Diploma in Financial Accounting with GST” in collaboration with 'ESS-R INFOSYS'. Diploma in Financial Accounting with GST is a job oriented Financial Accounting Course with GST from experienced accounts and tax practitioners covering all aspects of accounting and taxation. In this course the students will learn the different aspects of Goods and Service Tax like types of GST, GST Registration, E commerce, Tax invoice, Input tax credit return filing, etc. Proficiency in GST is one skill recruiters are looking for today. In this Course on GST you will gain full clarity, starting from basics up to how to file a GST return. Income Tax filing, TDS deduction, computation of Taxable Income is other topics covered under this course relating to Taxation. All modules will be taught in a practical manner so that you gain complete knowledge in all aspects. Through this the students will gain skill sets in Finance, Income Tax and GST. Thus qualifying them to apply for multiple job roles. This course also teaches Tally ERP 9 with GST. Students will learn how to work with the popular Tally software latest version of ERP 9. The course covers the entire procedure of maintaining accounts and all related concepts.

Students will also get MS Office as a bonus course with this course.

The duration of the course is 12 months (120 hours). The course is running successfully in three consecutive academic sessions 2020-21, 2021-22 and 2022-23. The course was first introduced in the year 2021 for regular students of the college. It commenced from 08.02.2021 to 24.12.2021 with total 4 students enrolled in the year. All the enrolled students successfully completed the course and were awarded the course completion certificate. In the next academic session the course started from 28.04.2022 and ended on 30.06.2023 with total 12 students enrolled in the year. After successfully completing the course, 7 were awarded the course completion certificate. In the academic session 2022-23 the course began from 15.03.2023 and still ongoing with 14 students enrolled.

Diploma in Multimedia Application

Summary Report:

K. K. Das College offers the value added course on “Diploma in Multimedia Application” in collaboration with 'ESS-R INFOSYS'. Our course on Diploma in Multimedia application is designed to provide the students with the necessary skills and knowledge required to develop effective multimedia applications. This program introduces students to the diverse aspects of multimedia including professional multimedia development through graphic design and DTP, packages for multimedia development, web development, 2D animation, digital audio and digital video production. Besides technical skills, students will also be guided effectively regarding, engaging the viewers of the products with the help of, creative blend of various forms of media. Students will gain the opportunity to design and develop effective multimedia systems using the latest and established software tools and techniques. Students pursuing this course will find adequate job opportunities in the entertainment industry, in government services and academia. Other career paths also include broadcasting, creative design, business and marketing.

Students will also get DTP as a bonus course with this course.

The duration of the course is 12 months (120 hours). The course is running successfully in three consecutive academic sessions 2020-21, 2021-22 and 2022-23. The course was first introduced in the year 2021 for regular students of the college. It commenced from 08.02.2021 to 24.12.2021 with total 4 students enrolled in the year. All the enrolled students successfully completed the course and were awarded the course completion certificate. In the next academic session the course started from 28.04.2022 and ended on 30.06.2023 with total 8 students enrolled in the year. After successfully completing the course, 4 were awarded the course completion certificate. In the academic session 2022-23 the course began from 15.03.2023 and still ongoing with 10 students.

Diploma in Pre-Primary and Primary Teachers' Training

Summary Report:

K. K. Das College offers the value added course on “Diploma in Pre-Primary and Primary Teachers Training” in collaboration with 'ESS-R INFOSYS'. The course Diploma in Pre-Primary and Primary Teachers Training is an intensive course which moulds a teaching aspirant into a proficient educator who can act as a guide for the developmental process of the young brains as well as able to cope with the challenges of the changing world of pre and primary teaching. It gives students further insight into the world of preschool and primary level teachers. This course will help the aspirants not only to learn various techniques of early childhood teaching but also to know the basics about classroom management and lesson planning. On completion of this diploma course, students will be eligible to start a career in primary teaching from Nursery to Class Five in any school.

Students will also get SPOKEN ENGLISH, YOGA EDUCATION and ART & CRAFT as a bonus courses with this course.

The duration of the course is 12 months (132 hours). The course is running successfully in three consecutive academic sessions 2020-21, 2021-22 and 2022-23. The course was first introduced in the year 2021 for regular students of the college. It commenced from 08.02.2021 to 24.12.2021 with total 19 students enrolled in the year. All the enrolled students successfully completed the course and were awarded the course completion certificate. In the next academic session the course started from 28.04.2022 and ended on 30.06.2023 with total 20 students enrolled in the year. After successfully completing the course, 12 were awarded the course completion certificate. In the academic session 2022-23 the course began from 15.03.2023 and still ongoing with 10 students enrolled in the course.

Indirect Tax in India under New Regime (GST)

Summary Report:

Department of Commerce, K. K. Das College offers an Add-on course on “Indirect Tax in India under New Regime (GST)” for B.Com (Honours & General) Students of Semester-IV. With the implementation of GST, there has been a sudden increase in the demand for GST practitioners in most of the business industries for GST management, up-gradation, and reconciliation. As more and more business industries are launching every year, proportionally the GST practitioner’s demand is also in increasing order. Improved job opportunities are the key benefits of the GST certification course. A salary increase is yet another benefit of the GST certification course. Certified professionals on average get 15%-25% of salary higher salary. Nationwide, more than two lakh jobs have emerged after the implementation of GST that requires GST management either directly or indirectly. This has in turn increased the demand for GST practitioners. Needless to mention that increased job opportunity is one of the key benefits of the GST certification course. On completion of the course, the learners will be able to understand the concepts of GST, its features and capabilities, GST Registration and Compliance methods. The learners will also get deep Knowledge of the concept of supply decisions at the workplace and analyse of provisions under GST. The course is offered in the academic session 2022-23. The duration of the course is 30 hours. It started from 23.03.2023 and ended on 31.05.2023 with total 36 students enrolled for the course. All the enrolled students successfully completed the course and were awarded the course completion certificate.

Foundation Course on MS Office

Summary Report:

Department of Computer Science, K.K. Das College offers the Add-on course on “Foundation Course on MS Office” in the academic session 2022-23 so that students from B.A. and B.Com stream can prepare themselves for the job market after completion of their study. The course aims to equip students with essential skills to effectively use Microsoft Word, Excel, and PowerPoint. This will foster confidence and independence in the students in creating professional documents, spreadsheets, and presentations. After completion of the course the students will develop a strong understanding of key functionalities and features within each application.

The duration of the course is 30 hours. The course was started from 20.12.2022 and ended on 24.05.2023 with total 21 students enrolled for the course. All the enrolled students successfully completed the course and were awarded the course completion certificate.

Duration of the Course: 30 Hours

Macroeconomic Statistics in India

Summary Report:

Department of Economics, K. K. Das College offers an Add-on course on Macroeconomics Statistics in India for regular B.Com. Semester I students of the college in the academic session 2022-23. Macroeconomics refers to a branch of economics that deals with the performance, structure, behaviour, and decision-making of an economy as a whole. Macroeconomists study topics such as output/GDP (gross domestic product) and national income, unemployment (including unemployment rates), price indices and inflation, consumption, saving, investment, energy, international trade, and international finance. It also studies the consequences of policies (fiscal and monetary) targeted at mitigating economic fluctuations, using taxation and government expenditure or interest rates, respectively, and of policies that can affect living standards in the long term, that is, by affecting growth rates. The role of macroeconomics in B. Com is to provide students with a comprehensive understanding of the functioning of the economy. By analysing the macroeconomic indicators, students can make informed decisions related to investments, production, and marketing strategies.

This course is an introduction to the basic analytical tools of macroeconomics to evaluate macroeconomic conditions such as inflation, unemployment and growth. It is designed to make the system of overall economy understandable and relevant. The aim is to provide a clear explanation of many aspects of aggregate economic variables to inspire a consistent way of thinking about key macroeconomic phenomena. It intends to familiarise the commerce students with basic concepts of macroeconomics and with certain common features of economic occurrence in the real world. After completion of the course students will familiarise with the current macroeconomic data and its relevance in the context of India. They will understand major trends in aggregate economic indicators and their trends. The course will help the students understand issues regarding data collection, processing, organising, representing and interpreting data at macroeconomic level. This will help them to predict economic conditions better.

The duration of the course is 30 hours. It started from 07.11.2022 and ended on 25.03.2023 with total 30 students enrolled for the course. All the enrolled students successfully completed the course and were awarded the course completion certificate.

Epic Literature in English

Summary Report:

Department of English, K.K Das College offers an Add-On Course on 'Epic Literature in English' in the academic session 2022-23. This provides the students an elementary platform into the study of English Literature with the perspective of epic value in English. Studying Epic literature helps students to attain a deep understanding of the culture & societal norms of the first founders of the English society. Apart from this, it helps them in employment in language labs & institutes where primitive language & literature forms a part.

The duration of the course is 30 hours. The course was introduced in the academic session 2022-23. It started from 20.12.2022 and ended on 17.02.2023 with total 24 students enrolled for the course. All the enrolled students successfully completed the course and were awarded the course completion certificate.

Duration of the Course: 30 Hours
