Description

This year, on 8th March, 2022 K. K. Das College took a very unique way to observe the International Women's Day. Professor Anjana Brahma of the Department of Bengali, gave her inaugural lecture properly addressing the gender sensitizing issues in the college. Our Principal sir gave a lecture solely on the same. He addressed the sensitive needs of a particular gender. These lectures made students aware of their roles in making an equal society. After that College took the opportunity to felicitate three ladies, namely, Nanda Halder, Shikha Sarkar, and Ratna Biswas. They run some food-stalls around our college and belonged to the under-privileged section of our Society. They are the sole bread-earner members of their family. The College decided to recognize their struggle and to felicitate them on the occasion of Women's Day.

They shared their life experiences with the students which proved the empowerment of women in society and helped to motivate the students in their life. This is very unique way to present the gender-sensitizing issues in front of the students as it showed the ability of women to take the societal responsibilities along with the male counterpart. It was also an interactive session with both teachers and students.
