STUDENT ADMISSION

Online admission of students in undergraduate courses in higher educational institutions is a major e-government initiative to ensure greater transparency and fairness in admissions from the academic session 2015-16. Students can complete the entire admission procedure online without visiting the campus, except for document verification. A strategy for the admission process is followed which is further strengthened by the ethical practices and regulations as laid down by the University of Calcutta. The website displays the guidelines and all relevant information for the admission process. An Admission Portal is used to manage the admissions in the college. Number of students applying to each course, withdrawals, fee submission, etc. is managed through this Portal only. Students are required to submit an Online Application Form for taking admission to the college and for this purpose online software is used by the Admission Coordinator. The list of selected candidates is displayed on the website. Subsequently, payment of fees and University registration is also done through the software.

STUDENT SUPPORT – LIBRARY

The College continues to maintain its academic excellence through maintaining a well-stocked library. The College subscribes a number of journals and books regularly. Recommendations are taken from the teachers and students (through teachers) while subscribing to the resources. Teachers can apply to get books of different authors for the subjects they are teaching to increase the knowledge database. The College Library has added and will continue to add more and more e-learning resources for the benefit of the teachers and the students.

The Library has installed fully automated ILMS software which should have an easy to use - Graphical User Interface, unicode support with Multilingual Search and export facility for most reports. The use of Online Public Access Catalogue module of the software allows library database searching by entering preferred terms for information retrieval. The Circulation module of the software covers all the operations of circulation.

- **Website:** The website acts as an information centre which reflects about the college, all its activities, important notices, courses offered, etc. For this purpose, a separate service provider/web designer was appointed by the college. Training was given to the administrative and teaching staff to make important updates on the website. The College strives to showcase its vibrant self and activeness through its website. All the important notifications go live on the website as and when they are released. Moreover, each Department has their own departmental website where the students get all the relevant information about their departmental activities. It acts as a mirror of the department providing detailed information.

ACCOUNTS & FINANCE

Accounting Software Tally – The office continues to maintain its account on a latest version of the software Tally. Advanced features help the staff to maintain financial records effectively and efficiently. Profit and Loss, Balance Sheet are generated through this software only. All the analysis reports are also generated through the software. Appropriate security measures are taken for maintaining confidentiality of the transactions. Training to the existing staff and updation of the existing software is done regularly.

A customized Accounting Package is used for office. This helps to maintain effective database. It helps to provide a hassle free, convenient and smooth process and makes administration of the college paperless. The college looks into opportunities to automate its functions related to administration so that the students are able to obtain maximum services in online mode. Admin Staff is provided with adequate training and development to keep them abreast with the new technology.

University Question Paper given in Google Classroom by Department of Mathematics

The screenshot shows a Google Classroom interface. At the top, there are two browser tabs: 'Internal & Tutorial Exam - Google' and 'DSE - Comparative Economic De...'. The address bar shows the URL 'classroom.google.com/u/0/c/Mzg1OTE0Mz11MjUx/a/NDI4NzI0NjI2MTM1/details'. The page header includes 'ECO (HONS) SEM V Session 2021-22', 'Instructions', and 'Student work'. The main content area features a document icon and the title 'DSE - Comparative Economic Development (1850 - 1950)'. Below the title, it says 'Economics Department • 10 Nov 2021 (Edited 1 Jan 2022)' and 'Due 2 Jan 2022, 23:59'. The text of the announcement reads: 'Dear Shibajit, Please find the paper as attached for writing Critical Review for Tutorial Examination of Paper CC12 Indian Economy. We will have a meeting on 22nd November to discuss your progress on it. The time and mode of the meeting will be intimated to you later. Write "Critical Review of the title and author of the paper" and Name of the Course (DSE - CED), your University registration and roll number on the cover page. Date of submission is: 30th November. Please follow the guidelines, which has been shared with you already, while writing the critical review.' A PDF file named 'Bardhan.pdf' is attached. At the bottom, there is a 'Class comments' section.

Snapshot of Home Assignment given by Economics Department (in Google Classroom)

The image displays two screenshots of a Google Classroom interface. The top screenshot shows the assignment page for 'ECO (HONS) SEM I Session 2021-22'. The assignment is titled 'Assignment on theory of demand and supply' by MADHURIMA KOLEY, dated 20 Jan 2022, with a due date of 23 Jan 2022. A PDF document titled 'Assignment on Theory of dd...' is attached. The bottom screenshot shows the 'Student work' tab for the same assignment. It displays a table with columns for 'Handed in' and 'Assigned'. One student, Aunak Ghosh, has handed in the assignment. The interface also shows a 'Class is archived' notification and a taskbar at the bottom.
