## About ADD-ON Courses

Internal quality assurance cell of K. K. Das College has taken constant effort to introduce Add-On courses for the students since 2015 to develop their significant job skills.

It is well known that we are living in a competitive world where every sector demands computer and office skills along with formal academic qualifications.

K. K. Das College has a functional MoU with the institute ESSR INFOSYS to conduct Add-On courses. The MoU was initially signed in the year 2015. Then again signed in the year 2019 after expiry of the previous MoU.

There are seven different add-on courses introduced by ESSR Infosys during last five years.

The College also conducted one Add-On course in collaboration with 'Pidilite Industries Ltd.' in the session 2020-21.

In addition to these courses various departments of the college also introduced twenty-two add-on courses time to time during last five years.

Before pandemic period the classes of Add-On courses were taken on Saturday, Sunday and Holidays. During pandemic period the classes of these courses were conducted in online mode and after pandemic classes were conducted in dual mode.
