Cross-Cutting Issues in Practice

1. Gender Sensitization

K.K.Das College (KKDC) is committed to gender sensitization which is reflected in the programmes it has undertaken in the past five years.

Our objective at KKDC on gender sensitization:

- To work towards modification of behaviour of the students by raising awareness of gender equality concerns
- To appreciate the fact that the rights of every women is as important as her male counterpart
- To familiarize the girl students with their constitutional rights and safeguards
- To provide mentorship to the students
- To create an inclusive gender diverse work place with fair practices for the staff

To achieve these objectives various well-planned gender oriented programmes have been conducted by the institution. To facilitate a gender sensitive environment 'Equal Opportunity Cell' has been constituted in our college. The cell proactively works in sensitizing students in gender issues through outreach programmes like seminars, talks, workshops and cultural programmes. Female students are motivated to participate in the events as to develop strength, confidence and leadership qualities in them. It also which also deals any gender bias complaints and resolve them through face to face interaction and counselling.

The college also conducts annual Gender Audit as an attempt to study whether the college has good gender balance.

2. Environment and Sustainability

To sensitize students on issues about the environment and sustainability, beyond the confines of their syllabus or curriculum, a number of activities such as seminars, guest lectures, competitions and action based activities like cleanliness drive, tree plantation, etc. are organized for students of all programmes.

Eco Club for our college is aimed to motivate the students to participate and take up meaningful environmental activities and projects. It is a forum through which students can reach out to influence, engage their parents and neighbourhood communities to promote sustainable environmental behaviour.

3. Human Values

K.K.Das College is committed to build a generation of individuals who are driven by strong values, compassion, empathy, integrity and honesty as this would make them the true harbinger of change at home and society. During their course of study students are encouraged to participate in social activities like working with NGOs, organizing blood donation camps, health check-up camps, hygiene and health workshops, environment awareness camps, cleanliness drive, workshops on social issues, gender issues etc. Important national/international days are celebrated and birthdays of great personalities are commemorated in college to cater the sense of integrity and honesty among the students.

The college also mandates all the students to enroll as NSS/NCC Volunteers. It aims at inculcating values, ethics and socially responsible qualities.
