

Best Practice Based on e-Obhyash

Role of the ICT Cell

Development of College website

The College Website is Developed and Designed by the ICT Cell under the Leadership of the Teacher of Computer Science Mr. Mridul Kanti Bhaumik and under the Guidance of IQAC Co-ordinator Dr. Nasima Munshi and the Principal Dr. Ramkrishna Prasad Chakraborty, who always inspires for the introduction of innovative ideas.

ICT training programme

During the Covid -19 period under the Leadership of Principal, the Department of Computer Science organised a good number of online ICT training programmes for teachers of India in connection to teaching Learning and evaluation together with Collaborative work.

Revenue generated from these programmes are credited in the College Account.
