CRITERION VII

Institutional Values and Best Practices

Key Indicator

7.1. Institutional Values and Social Responsibilities

7.1.2 Circulars and report of activities for the implementation of the initiatives document

Green Initiatives taken by K. K. Das College

Clean and Green, plastic free environment is the basic need of the time. With this vision K.K.DAS College puts an extra effort by implementing various environmental policies.

The college has specific policies, which are implemented and guided by our Principal and the IQAC. The college believes it is very important for the students to understand the value of a green and clean environment for their future existence. This can help them to grow as complete human beings with a holistic mind combined with a healthy body. It is the policy of the college to ensure a green initiative venture by the involvement of all stakeholders. The students, teaching staff as well as the non-teaching staff participate regularly for maintaining green zone as well as a green and purified environment. The eco club along with NSS unit of the College who constitute the green and energy Volunteers team, take the initiative of optimal conservation of energy, green plantation and clean campus with plastic free zone.

The College regularly observes World Environment Day and Earth Day through various on and off campus programs.
