Kolkata – 84
Grievance Cell

Action Plan 2018-19

Date: 06/07/2018

The primary duty of the Grievance Cell of K. K. Das College is to address, take into account and redress any grievances that are reported by the stakeholders of the college. The overall development of a college depends on timely resolution of the grievances of the stakeholders. The Cell has taken the following resolutions for the year 2018-19:

1. To make the students aware about the working mechanism of the Cell.
2. To encourage the students to come forward with their grievances as and when they feel the need to do so.
3. To try to redress and resolve the grievances, if any.
4. To check the Grievance Box placed outside the Principal's Chamber at regular intervals.
5. To encourage the departments to work closely with their students and register any grievances that comes to their attention.

The primary duty of the Grievance Cell of K. K. Das College is to address, take into account and redress any grievances that are reported by the stakeholders of the college. The overall development of a college depends on timely resolution of the grievances of the stakeholders. The students are facing various problems during this pandemic era and the Grievance Cell plans to actively look into the problems of the students. The Cell has performed the following functions in the academic session 2020-21:

1. During the lockdown period, the families of many students are facing financial troubles due to loss of jobs. Thus the students asked for fees concession during the lockdown period. The Cell looked into the matter and forwarded the matter to IQAC and Aid-Fund Subcommittee.
2. The students were encouraged to talk about their grievances during the online classes held by various departments. As they lacked physical interaction with their teachers due to the pandemic, the Cell asked the departments to remain in touch with their students using the online platform.
3. The students shared their problems with the teachers of their departments and the teachers tried to solve the problems related to online classes, examinations as much as possible.
